

Moonshine Hollow Hike

Walk in the footsteps of moonshiners of decades gone by. Visit the remains of two old moonshine stills and learn about the very interesting, and sometimes tragic, history of our local moonshining activities.

**Fridays, 10 A.M.
Visitor Center**

Guests will meet an interpreter at the Visitor Center then drive to the hike location. This hike is over steep, uneven terrain and is difficult. High top shoes, long pants, insect spray, and a walking stick are advised.
